International Digital Modeling Contest 2024

## Pledge Agreement

I (applicant) hereby pledge to observe the following in accordance with Japanese laws in entering my work to the International Digital Modeling Contest 2024 sponsored by the Japan Society for Graphic Science.

- ① The entry has never been presented.
- ② The entry is an original and I (applicant) own the copyright.
- ③ The entry does not violate any intellectual property rights including the copyrights of third parties.

I hereby agree that the Japan Society for Graphic Science does not have the obligation to screen entries for violation of the rights of others, and bears no responsibilities whatsoever in the event a third party claims the violation of rights, compensation for damages, etc. given that the applicant of entries will have to deal with such issues at their own responsibility

- ④ I consent to the disclosure of information and my name (applicant) in relation to the entry work on websites and exhibitions for the purpose of PR and advertisements related to The International Digital Modeling Contest 2024.
- ⑤ In the event my entry is selected for a prize, I consent to the free-of-charge use of documents and three-dimensional model data related to the awarded entries for trial productions and exhibitions for the promotion and spread of lamination and design technologies by the Japan Society for Graphic Science and groups approved by the society (educational organizations, companies, etc.).
- ⑥ I agree to promptly to send any additional materials requested for the screening process of International Digital Modeling Contest 2024.
